

## **Michael Angelo, Treasurer**

Michael Angelo is a nonprofit professional with solid experience in finance, development, and community relations.

He specializes in implementing processes that foster transparent, accurate, and compliant financial reporting, and has a keen eye for aligning organizational strategies with constituent needs. Michael also has experience in deploying fundraising strategies for start-up nonprofits such as Night Fever San Diego, Catholic Young Adult Sports, and Children of the Immaculate Heart.

With top-tier relationships across a broad range of sectors in San Diego, Michael has been involved in evidence-based program design, strategic planning, financial analysis, resource development, and civic engagement. His portfolio of past client organizations include: Dreams for Change, the YMCA, and Kids Included Together.

Michael earned an M.A. in Nonprofit Leadership and Management from the University of San Diego's School of Leadership and Education Sciences.
